As a last resort he sent for Dr. Coffee's Absorption treatment which he used for 6 weeks and obtained perfect sight. Write him for full particulars.

PERSONAL TO READERS

I want to say to the readers of this paper that I have made a specialty of treating eye and ear diseases for twenty-five years. During that time I have come in contact with every variety of eye and ear diseases, and have made some of the most remarkable cures ever known. Ten years ago, I originated the Absorption Treatment for treating eye and ear diseases. Since that time, over a hundred thousand people have used it at their own home with wonderful success.

The two books which I have published, explain my method of curing by Absorption, and also tell how people can prevent diseases of the eye and ear by following certain rules of health which are explained in books.

My large experience enables me to diagnose any case of eye or ear disease without ever seeing the patient. My treatment is so mild and absolutely harmless, that anyone can use it at their own home and cure themselves as thousands of others have done, without inconvenience, and at a very small expense. My Absorption Treatment has restored sight to blind people 80 years old, as well as babes who were born blind. It has restored hearing to people who were partially or completely deaf. It will do this in every case of Deafness, where the ear drum is not injured or the nerve paralyzed.

If you are afflicted, my treatment will help you quicker and better than anything in the world, even though you have given up in despair. Send for my books. They are free to anyone. They tell all about my work and treatment.—DR. W. O. COFFEE.

Those of the readers who have friends and acquaintances afflicted with eye or ear trouble, will confer a favor by telling them of this offer, so that they can write for one of Dr. Coffee's Books, and learn of a new method of treatment that will cure them of their affliction. EITHER BOOK WILL BE SENT FREE.

Above is a picture of a normal ear. The sense of perfect hearing is appreciated by all who possess it, and earnestly desired by those who lack it. My Absorption Treatment enables the latter to obtain it.

Above picture is a good illustration of a perfect Ear Drum. To have perfect hearing, Ear Drum must be free from all afflictions. Any perforations cause partial deafness.

Above picture shows Ear Drum partly destroyed, either from catarrh, discharge, gages and other causes. My Absorption treatment heals Ear Drum, restores hearing.

Above picture shows the location and curl of the Auditory Nerve which, if completely destroyed, means total deafness. If only partly destroyed, hearing can be restored with my treatment.
